AMENDED IN SENATE MARCH 29, 2005

SENATE BILL

No. 487

Introduced by Senator Cox

February 18, 2005

An act to add Section 10204.5 to the Insurance Code, relating to life insurance.

LEGISLATIVE COUNSEL'S DIGEST

SB 487, as amended, Cox. Group life insurance.

Existing law generally regulates group life insurance policies, and defines various forms of group life insurance.

This bill would provide that, in addition to the issuance of group life insurance otherwise permitted by specified provisions of law, the Insurance Commissioner may approve the issuance of group life insurance if ~~he or she makes specified findings~~ *the insurer or applicant proves specified facts to the commissioner's satisfaction*, including ~~findings~~ *facts* regarding the insurer, the group to be insured, the premiums charged, and the public interest. The bill would allow an insurer under a policy covered by these provisions to exclude or limit the coverage on any person as to whom evidence of individual insurability is not satisfactory to that insurer.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
